

NURSERY Christmas Sing Along for Parents/Carers – 10th December 2026

We would like to invite parents/carers to come and watch their child sing in a Christmas Sing-A-Long Performance, which will be held at 2:40pm in the KS2 Hall.

The Morning children are invited to stay all day and we ask that you bring a packed lunch for your child, so they can eat their lunch at school together. The Afternoon children please ensure you arrive at your usual time 12:15pm.

Parents are asked to arrive at 2:30pm for a prompt 2:40 start. Please note the gates will be locked at 2:35pm for safeguarding reasons, and unfortunately, we will be unable to admit anyone after this time as staff will no longer be available to supervise entry. Thank you for your understanding and co-operation.

Due to health and safety regulations and the capacity of the venue, **each child is allocated a maximum of TWO places for the performance.** This is the total number of places you are guaranteed. If you do not require both of your allocated places, please inform the school office directly so that these can be made available to other families.

If you would like additional places, you **must contact the school office in advance** to request them. Your name will be added to a waiting list, and we will contact you if any extra places become available.

Please do not arrive at the performance expecting to be admitted with additional family members unless extra places have been confirmed by the school. We are unable to guarantee entry for anyone who has not been allocated a place, and we may have to turn people away if the venue reaches capacity.

Thank you for your understanding and cooperation in helping us ensure the event runs safely and smoothly for everyone. We look forward to seeing you all very soon.
