

Communication and Language (CL)

We will learn to listen to stories in groups.

We will listen to instructions and show that we understand them by carrying the instruction out correctly

We will learn and start to use new words as we explore our new environment

Literacy (L)

We will learn new stories and decide which our favourites are

We will learn how to join in with repeated refrains in stories

We will learn rhymes and actions to go with Nursery Rhymes, we will then act out our favourite Nursery Rhymes with our friends

We will explore how words sound when we say them slowly

We will experiment with making marks with different pens and paints

We will start to develop our pencil grips through Squiggle While you Wiggle, Dough Disco and using a range of different mark making tools

Understanding the World (UW)

We will talk about our families at home.

We will talk about things we do at home

We will explore the playground and the woods

We will explore water and sand and mud

We will wind up toys to make them move as well as enjoying lift the flap books.

Personal Social Emotional Development (PSED)

We will meet and make new friends

We will learn to play cooperatively with different people

We will learn to take turns with toys and during activities

We will find ways of getting on with new people.

We will learn new rules for behaving in the classroom

Good to Meet You

Topic Web for Nursery Autumn 1 2020

Physical Development (PD)

We will learn to move at different speeds around the playground.

We will learn to move around other people

We will investigate how different pieces of small equipment are used and learn to use these things safely

We will practice putting our coats on ourselves

We will practise going to the toilet ourselves and washing our hands ourselves

Mathematics (M)

We will learn to count in sequence

We will start to use counting when we are playing

We will learn to follow a sequence on a visual timetable so that we understand now and next

We will learn number names

We will explore different sizes in shape, in volume, in weight, in height

We will fill bags, socks, containers with sand and use language such as full/empty

We will act out different numbers e.g. 4 claps, 8 jumps

Expressive Art and Design (EAD)

We will explore different techniques for decorating paper with paint

We will use collage to create Nursery Rhyme characters

We will explore the noise we can create with different untuned instruments

We will learn to respond rhythmically to music

We will role play personal experiences in the home corner.
