## Table of Contents

### Circle Model – Whole Governing Board Approach

#### Outline

The Governing Board works collectively as a 'whole team', meeting 6 times per year, once in each term, without any separate committees. An annual planner and agenda for each meeting will include all the tasks which the Governing Board is required to consider, and the Governing board may 'commission' assignments or activities arising from the business of the meeting, which will be recorded in the minutes. Any 'commissioned' working groups will have Governing board drafted agreed terms of reference.

In addition to 'commissioning' activities or actions on their behalf, the Governing board, to ensure its core functions are fulfilled, will delegate monitoring responsibilities to 'monitoring pairs' or 'individuals'. These include the statutory required individual roles and those focused on the priorities of the School Plan. The Governing Board recognises the delegated monitoring individuals/pairs are replacing committees in terms of challenge, responsibility and accountability when undertaking their monitoring and reporting back to the Board.

In each case where a function has been delegated there is a statutory duty to report any findings, action or recommended decision to the Governing board at the next meeting.

- The process must be fair, open and transparent.

#### **Factors the Governing Board should consider in agreeing their election process are:**

- How long the Chair and Vice Chair will serve (You may wish to consider different terms of office.)
- Whether a Governor can be re-elected and whether there should be a limit to the number of terms a Governor could serve in the position of Chair or Vice Chair (You may like to consider succession planning, individual Governor and Governing Board development, workloads and the involvement of all Governors.)
- Whether a governor can stand for office if they are unable to be present at the meeting.
- How nominations will be made (in writing in advance of the meeting via the agenda or verbally at the meeting, with or without a supporting written or verbal statement.)
- Whether a candidate will self-nominate or be proposed (and seconded if wished) by Governors.
- Whether there will be a secret ballot or show of hands (and whether this would vary depending on the circumstances i.e. in all cases or only where there is more than one candidate.)
- How the Governing Board would treat a tie in votes (would candidates have the opportunity to speak to the Governing Board about why they want to be the Chair or Vice Chair followed by another vote, would it be by another method?)

#### **The role of the Chair of the Governing Board**

- To ensure the business of the Governing Board is conducted properly in accordance with legal delegation requirements.
- To ensure that meetings are run effectively, act as a role model, focusing on the priorities and making best use of the time available, and to ensure that all members have an equal opportunity to participate in discussion and decision-making.
- To establish and foster an effective relationship with the Headteacher based on trust and mutual respect for each other's roles.
- To establish and foster a good relationship with the Clerk based on professional respect for each role.

### **GOOD PRACTICE EXAMPLE**

- The Governing Board resolves that the following process will apply to the election of Chair (and vice chair) of the Governing Board (provide a brief outline of the role):
- The Chair and Vice Chair will serve for a period of between 1 and 4 years.
- The Clerk will take the Chair to conduct the election of the Chair and the newly elected Chair will conduct the election for the Vice Chair using the same procedure.

### **Either**

- a) The Clerk will invite Governors to self-nominate by a closing date no later than 2 weeks before the date of the meeting at which the election is to be held.

### **or**

- b) Governors will be asked to propose nominations to the Clerk by a closing date no later than two weeks before the date of the first Governing Board meeting of the academic year. The Clerk will provide a form for this purpose, which will allow for nominations to be seconded before submission (if required).

- The Clerk will include the names of all candidates for election on the agenda for the meeting at which the election is to be held and send it to governors at least 7 days in advance of the meeting.
- The candidates will be asked to leave the room, having outlined the skills they have for the role, whilst the election takes place and the outcome discussed.
- Governors will discuss the skillset of nominees for the role prior to taking a vote by secret ballot conducted and counted by the Clerk.
- Candidates will be allowed to vote (including for themselves) before leaving the room.
- In the event of a tie, each candidate will be given the opportunity to address the Governing Board before a further vote is taken. (If a candidate cannot attend the meeting, a supporting statement may be requested in advance of the meeting.)
- If no advance nominations have been received for the office of Chair, the Clerk may seek nominations at the meeting.

If no Chair is duly elected, a Governor **MUST** be appointed to Chair for the remainder of the meeting. The Board **MUST** then elect a Chair at its next meeting. If no Chair is duly elected at its next meeting, concerns will be raised on the capacity of Leadership and Governance.

Following the election of the Chair, the new Chair will conduct the election of a Vice Chair using the same procedure.

### Standing Order for the Appointment of Co-opted Governors

#### Guiding Principles

The Governing Board may decide the process for the appointment of Co-opted governors.

Factors the Governing Board should consider in agreeing their appointment process are:

- What skills are required to support the Governing Board at the time of the vacancy.
- How and where vacancies should be advertised.
- Whether a candidate will self-nominate or be proposed [and seconded if wished] by governors.
- What information the Governing Board needs from each candidate to support their nomination i.e. a statement of so many words, interview with, or presentation to the Governing Board or alternatives as appropriate.
- Whether there will be a secret ballot or show of hands [and whether this would vary depending on the circumstances i.e. in all circumstances or only where there is more than one candidate.
- How the results will be notified to the candidates.
- How often the process will be reviewed.
- The process must be fair, open and transparent.
- **The process must be agreed by the Board prior to use.**

#### **EXAMPLE:**

1. The Co-opted Governors are appointed by the Governing Board. They are people who in the opinion of the governing Board have the skills required to contribute to the effective Governance and success of the school.
2. The Governing Board may choose to advertise the vacancy broadly to reach as wide an area as possible. Priority should be given to candidates with the skills that the Board has identified via its current skills audit, this expertise would enable the Governing Board to work more effectively.
3. The identified skills should be clearly stated when notifying/advertising the vacancy.
4. Where two or more names are put forward, prospective Co-opted Governors could be asked to prepare a brief statement of no more than 250 words, explaining their background and why they wish to be appointed.
5. Candidate statements should be circulated to all members of the Governing Board prior to the meeting at which any appointment will be considered.
6. At the next meeting of the Governing Board, Governors would be invited to vote as agreed by the Board by either a show of hands or by secret ballot; the process is to be managed by the Clerk
7. In the event of a tie, the Governors may agree to discuss the nominations in more depth and take a further vote; however as explained in 2013 Roles, Procedures & Allowances Regulations (14.4) where there is an equal division of votes the Chair, or the person who is acting as Chair for the purposes of the meeting (provided that such person is a Governor), will have a second or casting vote.
8. The Clerk should announce the result, with the candidate polling the most votes being duly appointed subject to a satisfactory DBS being received. The minutes should clearly reflect the process of voting and the outcome.

The definition of Associate Member is wide and can include pupils, school staff and persons who want to contribute specifically on issues related to their area of expertise, for instance finance.

The membership of any committee may include Associate Members, provided that a majority of members of the committee are Governors.

- Can be removed from office by the Governing Board at any time

- Cannot be given voting rights if they have not reached the age of 18 at the time of their appointment
- may be excluded from any part of a meeting when the item of business concerns an individual pupil or member of staff

- What information the Governing Board needs to support a proposed appointment e.g. a statement 250 words, interview with the Chair/Vice Chair, presentation to the Governing Board, alternatives as appropriate
- Whether when considering the appointment, voting will be by secret ballot or show of hands
- What the term of office for the membership shall be (1 to 4 years)
- What committee the Associate Member would be appointed to and what, if any, voting rights the Associate Member will be given
- Whether the Associate Member will be allowed to attend Full Governing Board meetings (a person in attendance at meetings can be asked to leave for confidential items)
- Whether the Associate Member would be included in distributions of all documents and meeting papers (or whether for instance confidential minutes would not be available)
- The expectation of the Associate Member to sign the Governing Board's Code of Conduct, Governor legal Declaration and Declaration of Business Interest forms
