

HIGHER FAILSWORTH PRIMARY SCHOOL

Meet the Governors – Lynda Arthur

Hello,

I am currently the Nursery Class teacher and the current Staff Governor.

I have worked as a teacher for over 25 years in several schools, all of them in urban settings. I am interested in all aspects of teaching and education and believe that a holistic approach to the life of the school is essential. I am, therefore, interested in understanding how the different elements of a school: the children and their backgrounds, the staff, the governing body, the community, the curriculum all combine to create a successful and happy school.

My own 2 children have been educated through the state system and I am a passionate advocate for state education.

I am proud to be the Staff Governor because I believe that Higher Failsworth Primary School is an amazing school that provides the children with a fabulous Primary School experience. It is also one of the most nurturing and friendly schools that I have ever worked in.
