

Dear Parents/carers

Unfortunately we have been advised that we cannot sing for you this year, not even by video.

However, the children will be learning some crazy Christmas dances which I know they would to show you 😊

The Traditional Party is also a bit tricky this year because I cannot mix the Morning Nursery Children with the Afternoon Nursery Children.

2 parties would be too much!

I would like, therefore, the children to come to school on the last day of term in their party clothes. We will have treats for them and Christmassy activities to make the day special.

I hope this is acceptable to you all.

Best wishes

Lynda Arthur
