

Communication and Language

We will ask questions like, "Where are you going?"

Then we will listen to the answers

We will sell tickets to each other

We will describe the different ways cars, trains and boats move

We will use signing to help those who cannot speak very clearly yet

Personal, Social and Emotional Development

We will be friendly and look after each other

We will invite other children to take part in our games - going on bus journeys and following treasure maps

We will laugh with our friends when we are dressed up as pirates

We will listen to other people's ideas and take turns to be in charge

Literacy

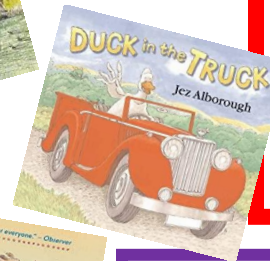

We will hear and say initial sounds in familiar and unfamiliar words

We will start to hear all the sounds that make up some words

We will talk about the differences between illustrations and text in books

We will see pictures of shops that we recognise on our train and bus journeys

**How do Pirates
get about?
OPAL CLASS
SUMMER 1
2021**

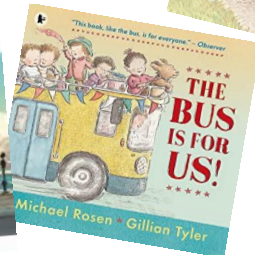

Mathematics

We will count our treasure and make sure that we all have the same amount

We will match numbers to quantities and to actions such as jumping and clapping

We will find ways of sharing groups of objects - different yet we still have the same number of objects

Physical Development

We will start to write our names

We will use different pens and pencils to mark make

We will practice anti clockwise movements in Wiggle While You Squiggle

We will draw Treasure Maps

We will ride our bikes and scooters around the playground safely

Understanding the World

We will look after our plants and vegetables in our playground.

We will look after our playground equipment as well as our classroom equipment

We will explore how different toys can move- through friction, wind up or through suction and pressure release

Expressive Arts and Design

We will spend a day dressed like Pirates and talking like Pirates.

We will create stories using cars and boats in different areas of the classroom

We will use our imaginations to go on bus journeys and train journeys

We will look at the different ways we can travel- in particular how Pirates sailed around the world
