We would like to welcome parents and carers to attend our sports events and encourage the children to keep active and participate in competitions.

The events will be held on the school field. We will be opening the gate at the bottom of the school field to allow access for parents. Access to this gate is via Ravenoak Drive and is accessed via the side streets off Roman Road. If you are arriving by car, please be mindful when parking to ensure that you do not block any of our neighbour's drives. Where possible, please attend on foot if you are able.

The area where sports day is held is a grassed field and is an uneven surface. Please ensure that you are wearing suitable footwear for the terrain. We will not be making any access available to the field through the school playgrounds. Access will only be available by the Ravenoak Drive gate, directly onto the field.

You are welcome to take photos at this event. However, please ONLY take photographs of your own child. Do not include other children in your pictures.

Please note that dogs are not allowed on school premises and should not be brought to Sports Day events.

We look forward to welcoming you to celebrate our Sports Days with us.

Yours sincerely,

S Forster
