### KS2 SATS Tests

Year 6 pupils took their SATS tests this week.

It was a very nervous time for them, however they have all tried so hard and we are incredibly proud of the effort and determination they all showed.

We would like all our children to remember though, that the SATs tests do not assess what makes each of them special and unique.

They do not tell us whether they are a kind and thoughtful person, or if they are fantastic at Art or sport.

They are all smart , special and amazing in their own unique way!

### Means –tested Free School Meals

Don't forget to claim your free school meals if you think you might be eligible. You can check online using the councils Free School Meal Checker at [www.oldham.gov.uk](http://www.oldham.gov.uk)

Anyone newly eligible for free school meals can also claim free uniform from school. Call into the office and we can check if you are on the list!

### Parking outside School

Please be considerate of our neighbours and the safety of our community when dropping off and collecting your children in a car.

We have had a number of complaints recently about anti-social parking and have had concerns raised about people dropping off on the zigzag lines directly outside school. Please **DO NOT** park on the yellow zig-zag lines outside school. We have contacted the police for advice about this as it is becoming a regular issue. They have advised us it is a criminal offence and a fine and penalty points would be given.

Please also be mindful of our neighbours and do not park across peoples drive's, where there are white lines on the road.

Help us to keep our children safe and park safely!

## Balance Bike Sessions

Last week, children across our Reception Classes completed balance bike sessions. The children did really well demonstrating that they have brilliant balance and super stopping skills. They learnt about the importance of being a very good listener when out and about on bikes, as well as the importance of always wearing a helmet to protect their heads.

## Spanish Day

The children all had lots of fun doing many different activities across school for Spanish Day. Including the Flamenco workshop! All the children had so much fun learning a new style of dance!

## The King's Coronation,

It was lovely to see everyone across school celebrating the Coronation of our new King. The school was filled with Red, White and Blue.

I'm noah I am 8 and live in  
Oldham with my foster carers  
Julie ~~and~~ and Paul.  
my sisters are 5 and 6  
they live with us to

We don't live with our mum and  
dad any more as dad used to  
hurt me.

Julie and Paul take good care  
of us and keep us happy and  
safe. Julie is a good cook and  
always like to sing when  
she's cooking and Paul  
helps me with my homework.

Sometimes they take us on  
holiday camping and we  
have the best time

I like living with  
Julie and  
Paul.

love  
noah
