

## Newsletter: Friday 23rd June 2023

### Change of Transition Day

Please note that Transition Day is now on Thursday 6th July instead of Wednesday 5th July.

All of the children will 'move up' into their new class and meet their new teacher for a morning of fun activities. New Nursery and Reception Class pupils have also been invited to attend on this day.

### Summer Fair

Our Year 6 will be running our Summer Fair again this year which will be taking place on Thursday 29th June from 2.30pm-4.00pm. Thank you so much for the items donated so far on our non-uniform day.

We still require a number of items for our stalls so we will be holding another non-uniform day on Monday 26th June. Please can we have donations of:

- sweets/biscuits/chocolate
- teddies
- bottles

We look forward to seeing you all on the 29th June, please remember to bring change instead of notes with you.

### Summer Disco

We're already looking forward to our Summer Disco which will be held on 17th July 2023.

Entry is £3 each and the children will get a packet of crisps and a drink. Payment will be via ParentPay and we will use the list of payments made for entry.

All details are on ClassDojo including drop off and pick up arrangements.

### School Branded Uniform Supplier Changes

We'd like to remind you about the upcoming changes for purchasing branded school uniform (any items with our logo on). We will no longer stock branded uniform at school once the current stock sells out.

In future all purchases for branded uniform can be made from Debonair in Oldham. They are currently working on producing the uniform, it will be available to purchase from their shop on 3rd July and online from 15th July.
