

We have exciting news !

Play Area Build

Can you help ?

We are looking to build a new play area for our Early Years Children, we have some fantastic ideas to redesign the current area. Do you know of any employers or companies in the area who might like to sponsor a piece of play equipment for example. If you do please ask them to contact Mrs Webb our School Business Manager on 0161 681 2645.

Benefits of outdoor play equipment:

- ◆ Improves children's sensory skills
- ◆ Helps children develop motor skills, supporting writing
- ◆ Helps children learn how to work with other children
- ◆ Provides opportunities for types of play crucial to children's development

Many thanks in advance, for your continued support.

Forest time Year 2

Year 2 have been finding out about Living Things and their Habitats in Science this half term. They have spent the last few Science lessons in the forest. We have been exploring the habitat and then finding out about the mini eats that live within this habitat. The children had a great time and even braved the snowy conditions to explore the forest!

Congratulations !

Miss Edwards will be retiring at the end of this term after 27 years here at HFPS. We thank her for the passion, commitment and dedication she has shown to our pupils, they have thrived under her care.

We will miss her enormously!

If anyone would like to contribute to a collection for her, please give it to the school office.

Valentines Disco

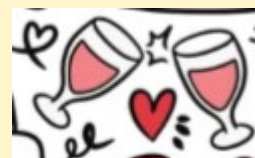

We're really looking forward to the Valentines Disco which is being held on Wednesday the 14th February.

Entry is £3 each and the children will get a packet of crisps and a drink.

All details are on the email and ClassDojo including drop off and pick up arrangements, along with change of clothes plans for the children attending straight after school.

Wedding Bells!

Congratulations to the new Mrs Goulding (Miss Macpherson) who supports children in classes Coral & Sapphire, she got married on the 22nd December after 30 years together!
