

PE and Sport Premium Planned Spending 2023-2024

Total Grant Received	£19,240 Sep 23 – August 24	Amount of Grant Planned Expenditure	£29,100 Place2Be cost	Date	July 2024
Key Priorities:	1. Increased staff competence 2. Engagement of all pupils in regular exercise 3. Whole school improvement 4. Broader experience in a range of sports 5. Increased participation in competitive sport				
Key Priority 1	Increased staff competence: Increased confidence, knowledge and skills of all staff in teaching PE and sport.				
Actions/Strategies		Cost	Evidence	Impact and Sustainability	
<ul style="list-style-type: none"> Equipment regularly checked, updated and replaced to ensure high quality PE can be delivered across school. PE subject leader to support identified staff including CPD opportunities PE subject leader to attend CPD and pass on key information to staff Staff to attend identified CPD Scheme of work for PE has been planned and implemented (long term plan) - PE Passport Dance specialist to work alongside teachers to develop dance knowledge and to ensure a high quality dance curriculum is being delivered. PE specialist to work alongside teachers to develop fundamentals and to ensure a high quality curriculum is being delivered in early years. PE subject leader to work alongside staff to coach and develop their subject knowledge when delivering PE lessons 		PE Passport scheme of work £700 Oldham community leisure cost for a dance specialist to support CPD £3500 Equipment costs Staff training	Lesson observations and planning PE Passport Pupil voice CPD PE action plan Conversations/feedback with staff FFT assessment data	Staff are confident and competent to deliver high quality PE. The quality of all PE lessons is good or outstanding. Good practice is shared and feedback sought which drives the effective development of PE. All children feel confident to participate in PE and can discuss their own achievements and how they can improve. Improved standards. Children are confident to try new activities - uptake in school clubs has increased (all children in Year 5 or 6 have participated in at least one club over the year). Recorded on Sports events/clubs list. Assessment for learning is used by all staff in PE.	

Higher Failsworth Primary School

			There is a sound assessment process which staff are confident to use that accurately assess pupils' progress - FFT. Progress in PE is monitored and provision is provided to raise standards where needed. The majority of pupils make good or outstanding progress in PE.	
Key Priority 2	Regular Physical activity: The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.			
Actions/Strategies		Cost	Evidence	Impact
<ul style="list-style-type: none">Continue with the daily mile across school to increase children’s fitness and mental health. Planned strategically into the day’s timetable.Staff training on keeping children active for 30 minutes of the day.Incorporate active periods of learning into lessons – using Teach Active to plan for active maths lessons.Attend a health champion’s workshop each term and promote health messages. Implement health champion’s planned activities for the rest of the school.Breakfast club program of activity developed and implemented on a daily basis. Takes into account a wide range of age, ability and gender.Provide a sensory club for children with additional needs that involves activities aimed at specific needs.Young sports leaders programme implemented – increase the physical activity of children during break times and dinner times.Continue with our ‘Active after school club’ and extend the opportunities to engage the least active in non-competitive games/taster sessions.		Teach Active subscription £500 Time for staff meetings Staff training/CPD Equipment £80 Place2Be costs Health Champions - £50 Transport £600 Whistles, lanyards and badges for sports leaders £45 Oldham community leisure cost for a dance specialist to support CPD £3500 Fifth Movement Company	Planning Photographs Classdojo and twitter Display boards around school Books Evaluations from bikeability schemes Action plan from health champions and activities planned Sports leaders application forms and timetable/rota of activity	Increased fitness levels. Children ready to learn - increased engagement during lessons. SEND pupils are participating in active sensory activities that focus on needs. All areas outside are being utilised including the forest area – links with Science/Geography. Children have opportunities to participate in outdoor learning experiences as well as developing skills and techniques to improve fitness and performance levels. To increase children’s resilience and reduce the amount of time lost learning. Promote a variety of healthy living ideas on class dojo and with parents. Staff feel confident and competent on how to promote and support children with healthy minds.

Higher Failsworth Primary School

<ul style="list-style-type: none"> • Lunchtime dance club which children from KS1-KS2 can attend each week. • Continue with Place 2Be as emotional support for children. • Participate in a range of inspiring and challenging physical activities which promote a healthy active lifestyle. • Promote local events and clubs. • Taster sessions from Oldham Sport For All Centre to continue across school for netball, basketball. • Continue attending Oldham Sixth Form College to participate in sporting sessions. • Continue with the Bikeability balance bike scheme for reception, level 1 Bikeability in year 4 and level 1/2 Bikeability in year 5/year 6. • Provide opportunities for social interaction, including sporting opportunities. • Go noodle being used in classrooms. • Sessions from the Body Coach and other active videos to promote exercise in the classroom • Intra-curricular opportunities every half term from year 1 to year 6. • Fifth Movement Company came into school to deliver a variety of after school clubs for the year. 		<p>Staff Meeting notes</p> <p>Registers from clubs</p> <p>Record of active events in school</p>	<p>Staff feel confident to implement periods of activity within lessons and understand the benefits of this.</p> <p>Children learning new skills from each other with the implementation of sports leaders.</p> <p>Improving links between school and links and increasing the opportunities for children.</p> <p>Increased safety outside of school - Bikeability scheme, as well as increased physical activity in riding to school.</p> <p>Aspirations raised with visits to OSFC and working with the sports leaders there.</p> <p>Children are confident to try new activities - uptake in school clubs has increased (all children in Year 5 or 6 have participated in at least one club over the year). Recorded on Sports events/clubs list.</p>
